■ AN OVERVIEW

Decora Auto Forge Pvt. Ltd. was established in 1986 in the name of **Shri Rajbaima Engineering Works** at Rajkot as a Small Scale Industry. Today Decora Auto Forge Pvt. Ltd. has strength of 137 strong dedicated personnel with state-of-the-art Forging Plant at Veraval (Shapar), only 16 Km. far from Rajkot. The secret of our success lies in the consistent quality products and services, timely delivery of ordered goods to our esteemed clients and innovative solutions to provide next level of customer satisfaction.

We have fully equipped and well established modern plant with complete engineering facility in campus of 3000 Sq. Mtrs. Floor Plant layout is mainly designed to minimize material movement and extra efforts. At present we have all in-house facilities such as Die Shop, Forge Shop, Shot Blasting Shop, CNC/VMC Shop, Turning Shop, Induction Hardening Shop, Metallurgical and Standard Room. We have good qualified, experienced and trained team with the experience of 10 to 15 years in respective fields.

We can handle Profile Job upto 5 Kg. and Round Job upto 10 Kg. in Hammer for forging as well as CNC machining. Company is well aware of designing jig & fixture for more repeatability and production.

■ OUR STRENGTH

- **EASY!** Sample developing with shortest leading time.
- **Support to customers in their requirements.**
- **engineering team for different types of quality levels.**
- **Quick Response to problems and RFQ.**
- **Timely delivery with assurance of continuous superior quality.**
- **Easy pating and flexibility in developing of new project.**
- **Masters for easy design of jigs fixture for more accuracy of an article and easy production.**

■ GROUP OF COMPANIES

Manufacturer of Automotive Components

Manufacturer of Forged & Machined Components

Manufacturer of Casting Components

■ BRIEF HISTORY

1986 – Incorporation of Shree Rajbaima Eng Works, by two aspiring brothers.

1990 – Establishment of Gujarat's first rocker arm manufacturing line for the after market.

2005- New land acquisition and construction of forging and machining line.

2006 – Incorporation of Decora Auto Forge Pvt Ltd, Investment in state-of-the-art hammer forging technology.

Commissioning of 0.5 and 0.75 MT press lines for hot forged components

2007 - ISO:9001 Certification of DAFPL

2010 - Become the leading supplier to 3 of the major OEMs in India

2012 - IATF 16949 certification of DAFPL

2016 - Incorporation of Rio Techno cast, investment in state-of-the-art casting technology with 150 ton/month capacity.

2019 - Land acquisition and construction of new forging and machining line.

2020 - Incorporation of Forset Forge LLP, Investment in state-of-the-art hammer forging technology.

Commissioning of 0.75 and 1.25 MT press line for hot forged components, Participate in Auto Expo – India

2022 - Commissioning of the machine shop with 95% auto machines at FFL. All Group of companies becomes 99% in-house processed companies and one-stop solution for all the customer needs.

2023 - ISO 14001 & ISO 45001 certification of DAFPL, Land acquisition for expansion of Rio Technocast.

CERTIFICATE

CERTIFICATE

The Certification Body of TÜV SÜD Management Service GmbH certifies that

Decora Auto Forge Pvt. Ltd.
Ganesh Industrial Estate, Plot No. 10/15, Survey No. 210, National Highway No. 8B, Veraval (Shapar), Gujarat Dist: Rajkot - 360024 India

has established and applies a Quality Management System for

Manufacture of Forged & Machined Components (without Product Design as per Chapter 8.3)

An audit was performed and has furnished proof that the requirements according to

IATF 16949
First Edition 2016-10-01

are fulfilled.

Issue date: 2021-05-03
Expiry date: 2024-05-02

QUALITY CONTROL

Quality is our prime concern and is part of our corporate philosophy. We manage quality of our products through up-front communication. Our aggressive, young and well qualified management team looks after :

- » Quality Control
- » Capital Employed
- » On Time Delivery
- » Strong Diverse Customer Base
- » Maintaining Equipment
- » Maintaining Steel Inventory
- » Maintaining Die Material Inventory
- » Technology Upgradation from Time to Time
- » Defined Goals and Objectives
- » State-of-the-Art Infrastructure

Development of necessary conditions for production optimization, processes, regular upgradation of systems and procedures lead to lower production cost for our valued world-wide customers.

OUR MANAGEMENT

We have a thorough systematic approach towards Planning, Scheduling and Controlling. "Best management is the key to success".

Successful management transforms into defined production objectives within time, cost effectiveness and International quality standards.

Our management team is young, enthusiastic, well experienced and willing to take challenges in their stride. Each member of our team is highly dedicated to our organizational manifesto to deliver the best products of International standards with utmost accuracy at the most reasonable cost effectiveness, so our Esteemed Customers get the hassle free ready to use products with cent percent satisfaction.

We have simple though stringent approach towards every challenge that is; "I can".
